“National Seminar on Advanced Research” of Commerce and Management Department in Kalinga

University dated on 27th August, 2022

National Seminar on “Advanced Research” was organized successfully by Faculty of Commerce & Management on 27th August, 2022, from 10:30 am to 12:30 pm. The program was conducted through online mode at Kalinga University Campus.

The **Objectives** of the Seminar were:

- ❖ to impart knowledge on the quantitative and qualitative research analysis that are employed, as well as numerous crucial research methodological principles that are helpful for doing any kind of scientific study.
- ❖ to introduce advanced statistical methods & tools for field data analysis.
- ❖ to handle difficulties and seize opportunities in the fields of teaching and research.

The keynote speaker of the seminar was Dr. Riyaz Ahmed Qureshi, Assistant Professor, faculty Marketing Department for N.L. Dalmia Institute of Management Studies & Research, Mumbai. The event coordinators were Ms. Neha Choithramani & Ms. Muskan Diwan. The event was conducted under the guidance and presence of Dr. Abhishek Tripathi, Dean, Faculty of Commerce and Management. The seminar received 101 registrations in which 89 participants attended the seminar.

The poster features the Kalinga University logo at the top left, along with accreditation logos for SAAC Grade B+ and NIRF 2022. The text reads: 'Faculty of Commerce and Management Organises NATIONAL LEVEL SEMINAR ON ADVANCED RESEARCH On 27th August, 2022 Time: 10.30 am to 12.30 pm'. A circular portrait of Dr. Riyaz Ahmed Qureshi is shown next to his name and title: 'KEY NOTE SPEAKER Dr. Riyaz Ahmed Qureshi Assistant Professor, faculty Marketing Department for N.L. Dalmia Institute of Management Studies & Research, Mumbai.' Below this, the convener and co-conveners are listed: 'Convener Dr. Abhishek Tripathi Co-conveners Ms. Neha Choithramani Ms. Muskan Diwan'. A registration link is provided: 'https://forms.gle/Zo5tXX2AgPUQPRTBB' and the website 'www.kalingauniversity.ac.in'. The background includes a graphic of gears and a magnifying glass.

"How to write a Research Paper" Royal Mechanical Club Activity by Department of Mechanical Engineering on 16th September 2022

Title- "How to write a Research Paper"

Date: 16 September 2022 Time 1.00 pm to 2.00 pm

Preamble:

The activity of How to write a Research Paper is organized by Royal Mechanical club for awareness of the students to improve written skills. The importance of research essay writing is that it can help you earn the decent grades you need to achieve higher standards. All theoretical, knowledge and technical courses are essential. You must submit a research paper, be it literature, history, law, physics, or economics. Research papers can be used to assess whether students are sufficiently focused or asleep and missed lectures in class. By writing research articles, students' research strategies can be tested.

Participant's Profile:

All students of Mechanical and Mining Engineering Department (B. Tech and Diploma Students) and all faculties from Department of Mechanical and Mining Engineering along with Head of Department attended.

No. of students : ME - 15, Mining - 06

Description about the Program:

The session had started by head of the department Dr. V. C. Jha. He explained how to write a research paper. Research studies are important because these contribute to knowledge and progress on confusion, diseases, and disorders. The purpose of a research paper is to give your ideas and opinions about the topic or problem and to use other sources to support your position. Understanding that research is important might seem like a no-brainer, but many people avoid it like the plague. Yet, for those who like to learn,

whether they are members of a research institution or not, conducting research is not just important it's imperative.

➤ The importance of research papers

Writing a research paper is very important for students to demonstrate their ability to understand how to start future scholarly works, find an answer to a question scientifically, relate what has been learned, receive critical peer feedback, and learn more strategically and effectively.

➤ While writing a research paper, students improve:

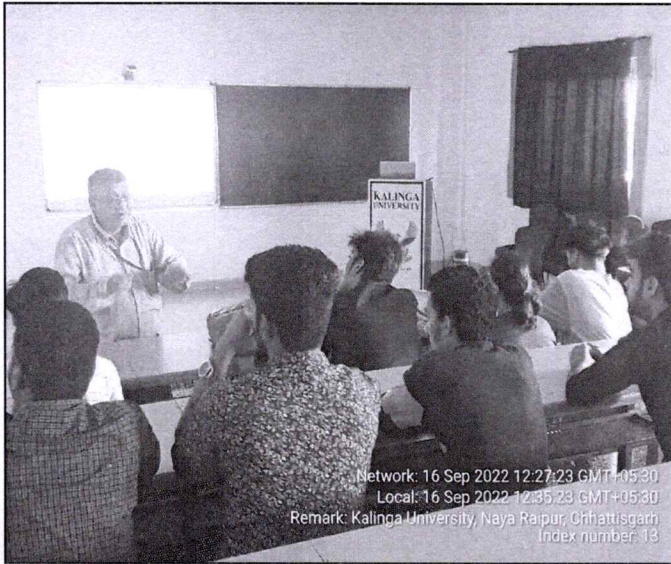

- Grammar;
- Active vocabulary;
- Knowledge;
- The ability to connect various ideas;
- The ability to explain complex terms in simple words.

“How to write a good research paper” by Department of Mathematics on 30th September 2022

Title- " How to write a good research paper”

Date: 30-09-2022

Time of event: 02:00 to 3:00 PM (1 Hour)

Event Type: Online/ Offline (Hybrid)

Venue: NBFF2, Kalinga University, Nava Raipur.

IOM/Circular:

Invitation to the resource person: (If applicable): NA

Objective of Program:

1. To develop the research thoughts into the students.
2. To give the basic knowledge about research paper writing.
3. To explore the basic ideas for writing the research papers and their publications.

Profile of Resource person (if applicable):

Resource Person:

Name: **Dr. Subhashish Biswas**

Designation: H. O.D. (Department of Mathematics)

Organization: Kalinga University, Nava Raipur.

Program Schedule: Program was scheduled on 30/09/2022

Details of Program:

Research paper is of great importance to bring research to the society. But its writing is not that easy, and even if it is written, it must be unique, a lecture, to enhance the interest regarding research was planned for the students of undergraduate and postgraduate students from mathematics department. The activity was held on 30th September 2022 through the hybrid mode, from 2:00 PM to 3:00 PM. The Keynote Speaker was Dr. Subhashish Biswas, H.O.D. Department of Mathematics and as the main audience, the students of the final as well as first year of M.Sc. and M.A. [Mathematics] and BSc. [PCM] participated in a big way.

The Speaker explained the importance of research paper writing. During his lecture he focused on” how to write the research papers”. He also explained the difficulties and their solutions during the research paper writing. Students from the Post-graduation benefitted with his vast knowledge of Research paper writing. Speaker faced with many questions, asked by the participants and students got the satisfactory answers from him.

Designation: HOD, Faculty of Law
Organization: ICFAI University

Program Schedule:

Commencement of program: 10:00 AM
End of Program: 01:00 PM
Lunch: 1:15PM
Faculty Interaction: 2:00 PM

Details of Program:

The guest, Dr. Pyali Chatterjee arrived 10 minutes prior to scheduled time of 10:00 AM and was received and seated in Dean 's Office, Faculty of Law. The event commenced at 10:00 AM. Students and faculties arrived at the venue (seminar hall on second floor) and were seated in their respective places as the guest arrived. The guest was introduced by the anchor (Ms. Shivangi Tripathi) and was welcomed with a potted plant by Mr. Rahul Mishra, Dean Academic Affairs.

Post this the guest commenced with her lecture with explanation and details of Legal Research. She further talked about what is Research Paper and how to choose the most appropriate topic for a research paper. Then she discussed choosing title of a research paper, how to write an abstract and finalized the lecture with details and technicalities of footnoting. The guest took a 10 minutes break during which audience were requested to take out a pen and a paper. The stationery was provided to those who didn't have their own. the lecture was now followed by a half-an hour brainstorming session where the participants were given an issue and were asked to write an abstract over it. Following which the guest collected the submissions and discussed the issues and concerns of participants as she went through the submissions.

The program came to an end at 01:20 PM as the doubt clearing session continued longer than anticipated.

Program Outcome:

1. Participants could understand the due process of research paper writing and had their doubts resolved in the doubt clearing session
2. Participants were able to structure and write their abstract of the given problem on the spot at the event itself
3. The event turned out to be successful. The guest speaker, Dr. Pyali Chatterjee's session was engaging and enlightening. She used tools of theoretical approach, visual aids of presentation and brain storming activity.

Workshop of Research Paper Writing Organized by Faculty of Information Technology and Department of Computer Science on 13th October 2022

Title- Workshop on Research Paper Writing

Date: 13-10-2022

Time of event: 02:00 PM – 03:30 PM

Event Type: Offline

Venue: Second Floor, MBSF 20 Kalinga University

Event Poster:

Details of Program:

Faculty of IT and Department of CS organized a workshop on Research Paper Writing. This workshop was very fruitful for our students. Students learned about the techniques of writing Research Paper, its utilization, necessity and they have also brushed up their knowledge with its.

Program Outcome:

At the end of the Program, participants would

1. Have improved their own scientific writing/ documentation skills.
2. Understand how to write a scientific paper. Prepare a rough draft of a scientific paper from their dissertation or research project with inputs from faculty.
3. Understand the publishing process and how to select a journal including why manuscripts get accepted/rejected.
4. Understand how to respond effectively to reviewers' comments.

Number of Students participated: 101 Number of faculty participated: 07

Research Policy Orientation- by Department of Zoology on 14th October 2022

Department of Zoology conducted the departmental activity on Research Orientation Policy on 14th October 2022 in Kalinga University Campus. The program was held from 11:30 am to 12:30 PM where **Dr. Manoj Singh**, Head, Department of Zoology was the keynote speaker. The event convenor was **Dr. Sohini Bhattacharyya** and event coordinator was **Dr. Ajay Harit** who are both faculty members of the Department of Zoology.

Dr. Manoj Singh oriented the students of the Department of Zoology about the ethical and academic policies regarding research work. **This was particularly helpful for the students since publication policy of the university mandates student publication. Benefits and incentives provided by the university for publication was also discussed.**

Students of M.Sc. and ZBC both attended the event. The total number of students who participated in this departmental event was 47. All the faculty members of the Department of Zoology also attended the talk. The event was followed by an interactive session between the students and Dr. Manoj Singh.

Activity Mode: Offline

Glimpses of the event

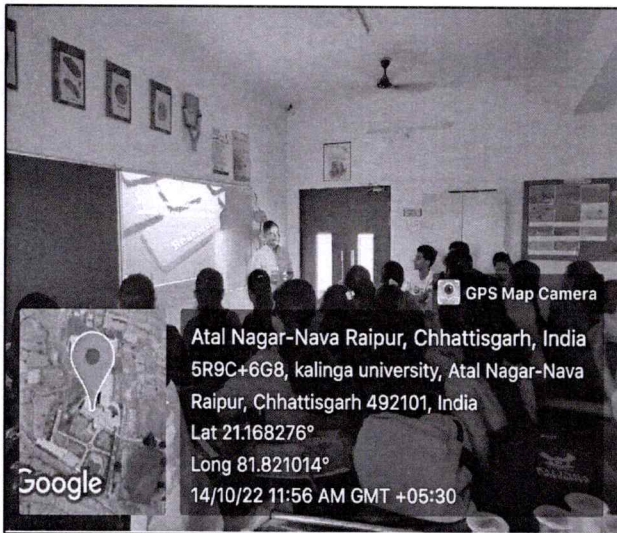

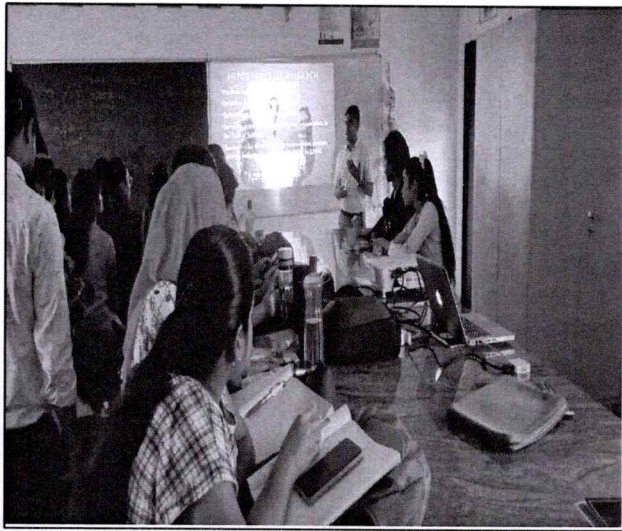

The poster is for a 'STUDENT RESEARCH POLICY ORIENTATION' event organized by the Department of Zoology at Kalinga University. It features the university's logo at the top, followed by accreditation logos (NAAC B+, NIRF, etc.). The text reads: 'DEPARTMENT OF ZOOLOGY ORGANISES GUEST LECTURE STUDENT RESEARCH POLICY ORIENTATION'. Below this, it identifies 'Dr. Manoj Singh' as the 'Key Note Speaker' and includes a circular portrait of him. At the bottom, it states the event date and time: '14th October 2022 @ 11:35 AM - 12:30 PM' at the 'Seminar Hall, Kalinga University'. Research Paper Writing Workshop and Competition by Department of Arts & Humanities on 7th November 2022

First day academic activity report as chief guest

Shaheed Virnarayan Singh Research Institute

(Faculty of Arts & Humanities)

A three-day research paper writing workshop was organized under the auspices of Shaheed Veerananarayan Singh Research Center, Faculty of Arts and Humanities, Kalinga University. Dr. Sushma Dubey, HOD, Department of Biotechnology, was present in the workshop.

On the first day of the event, after worshipping Maa Saraswati, Dr. N.K. Ghapekar, Head of the Department of Civil Engineering, Dr. A. Rajasekhar, Head of the Department of Geography and Dr. Senior Professor of English Subject in the context of writing research paper. Vijaybhushan gave an impressive lecture. Discussing various aspects related to research paper writing, he informed about the nuances of research paper writing. On the second day of the workshop, Dr. Shilpi Bhattacharya, Dean of the Faculty of Arts and Humanities and the Department of Political Science Head of the Department, Dr. Anita Samal, shared important information regarding research methodology and research paper drafting. On the last day of the workshop, Biotechnology was organized. On the first day of the workshop, Dr. Sushma Dubey, Head of the Department of Biotechnology, was the chief guest. Dr. Vinita Dewan of the English Department and Dr. Ajay Shukla, Head of the Department of Hindi, provided detailed information on various contexts of research paper writing. Bhattacharya, Dr. Vijaybhushan, Dr. A. Rajasekhar, Dr. Vijay Anand, Dr. Shraddha Hirkane, Shri A.K. Kaul, Dr. Vinita Dewan, Shri A.K. Kaul, Shri Piyush Das, Shri Chandan Singh Rajput, Mr. Rajkumar Das, Ms. Madhumita Das and all the professors and students were present.

Total Attendance – 60/40/30

कलिंगा विश्वविद्यालय में शोधपत्र लेखन कार्यशाला संपन्न

नया रायपुर नवप्रदेश। कलिंगा विश्वविद्यालय में शहीद वीरनारायण सिंह शोधपत्र लेखन कार्यशाला में शोधपत्र लेखन के उद्देश्य के अंतर्गत को कलिंगा विश्वविद्यालय, आल नगर-नवा रायपुर, चहत्तिसगर 492101, इंडिया में शोधपत्र लेखन कार्यशाला का आयोजन किया गया। कार्यक्रम में विद्यार्थियों को शोधपत्र लेखन की कार्यशाला से अवगत कराया। यह कार्यशाला आल नगर-नवा रायपुर में रखते हुए आयोजित की गयी थी। जिसमें विश्वविद्यालय के विभिन्न संकाय के विद्यार्थियों ने बढ़चढ़ कर हिस्सा लिया।

विदित ही कि विद्या और ज्ञान की देवी माँ सरस्वती की प्रतिमा के समक्ष मुख्य अतिथि के रूप में उपस्थित कलिंगा विश्वविद्यालय के निदेशक एवं प्राचार्य डॉ. विनोद साहू, कलिंगा विश्वविद्यालय के जैव प्रौद्योगिकी विभाग की अध्यक्ष डॉ. सुष्मा दुबे एवं अन्य अतिथियों के द्वारा शोधपत्र प्रस्तुत करने का प्रयास किया गया। शहीद वीरनारायण सिंह शोधपत्र लेखन कार्यशाला के अध्यक्ष डॉ. अनवर कुमार शुकल ने कार्यशाला की रूपरेखा को स्पष्ट करते हुए बताया कि इस कार्यशाला में विभिन्न विद्यालय प्राध्यापकों के द्वारा विद्यार्थियों को प्रशिक्षण देने के बाद उन्हें आज से बीस दिन के उपरान्त अपने प्राध्यापकों की मदद से शोधपत्र तैयार करके जमा करना होगा। जिसमें सर्वश्रेष्ठ शोधपत्र तैयार करने वाली को प्रमाणपत्र एवं पुरस्कार देने के साथ-साथ उनके शोधपत्र का प्रकाशन किया जाएगा। इसके अतिरिक्त शोधपत्र लिखकर जमा करने वाले सभी विद्यार्थियों के शोधपत्र का प्रकाशन स्वोपस रिसर्च जर्नल सूची में सैलम न्यूजनेटवर्क जर्नल के विशेष संस्करण में किया जाएगा जिसके लिए विश्वविद्यालय के द्वारा समस्त सुविधा उपलब्ध करने के साथ-साथ आर्थिक सहायता भी प्रदान की जाएगी।

कार्यशाला के पहले दिन स्थित इंजीनियरिंग विभाग के विद्यार्थियों को संबोधित करते हुए कहा कि शोध एक खोजपूर्ण और तथ्यात्मक अवलोकन है। इसका प्रमुखिकरण और भी महत्वपूर्ण है। लेखन एक कला है। जोध लेखन उसका उपयोग विदु है। वैश्विक स्तर पर कड़ी प्रतिस्पर्धा के चलते हमारा ज्ञान सदैव समृद्ध होना आवश्यक है। किसी भी विद्यार्थी एवं विद्यार्थी के लिए यह बहुत जरूरी है कि वह सदैव अपने ज्ञान को अपडेट करते रहें।

Title- "Research Tools & Techniques for Ph.D. Research Scholars"

Date: 17-12-2022

Time of event: 1.00 PM Onward

Event Type: Offline

Venue: Auditorium

Objective of Program:

7. To study the use of tools and techniques in research.
8. To study the utilization and implementation of (Scopus, Mendeley, Zotaro etc) in research

Profile of Resource person (if applicable):

Name : Dr Sushanta Sahoo

Designation : Head, Department of Library and Information Science

Organization: Kalinga University Raipur

Program Schedule:

Program Schedule	
USE AND APPLICATIONS OF SPSS	
Speaker : Dr Sushanta Sahoo	
Time	Program
1.00 PM -1.10 PM	Introduction and Lamp Lighting
1.10 PM -3.00 PM	Lecture on Use tool and techniques in research
3.00 PM -5.00 PM	Practical Session on various techniques and tools

Program Outcome:

5. Research Scholars could know the use of various tools and techniques in research
6. Software knowledge will help scholars to utilize Scopus, Mendeley, Zotaro in their research work.

Number of Research Scholar participated: 37

06/01/2023	02:00 PM to 04:00 PM	Dr. Dhaval Mehta

Details of Program:

The workshop was a 10 hours of hands on training on SPSS. The detailed topics covered are as follows:

1. Overview Research Methodology
2. Data Coding
3. Data Management
4. Data Transformation
5. Descriptive Statistics [Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis]
6. Graphical Representation
7. Normality Testing of the data

8. Hypothesis Testing: An Introduction

9. Parametric Testing [One Sample T Test, Independent Sample T Test, Dependent Sample T Test, One Way ANOVA, Two Way ANOVA]

10. Correlation Analysis

11. Regression Analysis [Simple and Multiple Regression Analysis]

12. Non – Parametric Testing [Chi-square test, Runs Test, Mann Whitney U Test, Kruskal Wallis Test, Friedman Test, Wilcoxon Test]

Program Outcome:

The participants were able to:

- To apply various tests in the data set using SPSS software.
- To test hypotheses using various kinds of tests.
- To analyze data to fetch various kinds of insights required in the research.

Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh, INDIA – 492101
Mob: 93030 97043, Email – registrar@kalingauniversity.ac.in

Details of Program: An online lecture on “HEI’s Research Office and Technology Transfer Organization (TTO): Synergistic Operations” was delivered today by Dr. Anil Wali, Managing Director (FITT), IIT-Delhi and attended by Directors of R&D cells in HEIs. The lecture explained functions of IRD Unit of IIT Delhi and functions of IPR. It gave comparison between IRD and FITT. The session gave information about Synergistic program interventions like SAMRIDH, TRIPP, PS&RA.

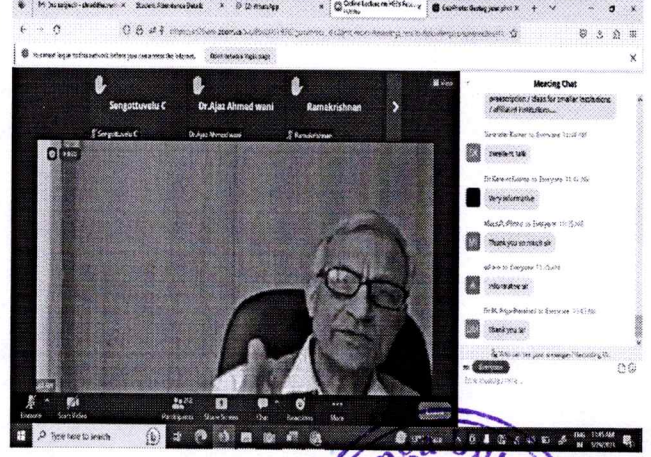

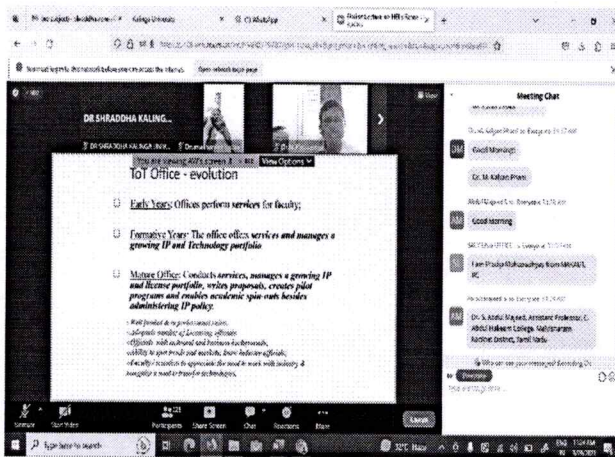

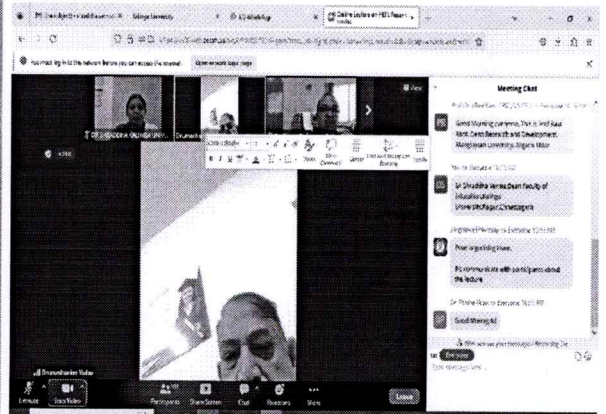

Program Outcome:

1. Participants gained in-depth knowledge about Industrial Research & Development Unit (IRD Unit).
2. Participants will be able to explain the functioning of Industrial Research & Development Unit (IRD Unit).

Number of participants: 225

Venue: Seminar Hall

IOM/Circular:

To,
The Registrar,
Kalinga University,
Kotni, Naya Raipur

Sub: To organize a Guest lecture by Mechanical & Mining Engineering
Department

Respected Sir,

I, Raj Ashish, faculty member of the Department of Mechanical & Mining Engineering would like to convey you that, the department wants to conduct a Guest lecture on the topic "Research Methodology" by Dr. Nitin Kumar Jain, Associate Professor, Department of Mechanical Engineering, NIT Raipur on 26th April, 2023 in MBSF-01 (seminar hall) at 1:30 pm. This lecture is open for all B. Tech. and Diploma Students of Mechanical & Mining Engineering.

Therefore, I request you to accept this proposal for smooth conduction of this Guest lecture.

Requirements:

1. Creative soft copy
2. Certificate for student – 30
3. Appreciation Amount: Rs. 2000
4. Transportation
5. Appreciation certificate - 01
6. Refund amount-02

Yours Sincerely
Raj Ashish

manageable. Theory testing. Explanatory: e.g., testing and understanding causal relations. Predictive: e.g., predicting what might happen in various scenarios.

Profile of Resource person:

Resource Person 1:

Name: Dr. Nitin Kumar Jain

Designation: Associate Professor & Dean Students Welfare

Organization: N.I.T Raipur

Details of Program:

Guest lecture started by Dr. V. C. Jha Head of the department of Mechanical and Mining Engineering. He welcomed the speaker and introduced about the faculty members of the Mechanical and Mining Engineering Department and all the students. The Resource person explained each and every steps of Research Methodology.

The Resource person made focus on quality education and explained the various aspects to build up research work. He stressed on the following points.

Basic fundamental concept of students should be clear. Only then they can achieve success and qualify competitive examinations.

Success of students enhance quality of University.

Quality of faculty is essential for the success of students and University.

He made stress on that the senior qualified faculty should be given lecture in the first year class to build up the basic fundamental concept required for engineering.

He explained about the steps of research methodology and pointed out about the tools for the success of students in research work.

He also invited our students in NIT Raipur to make use of research work facility. Two students of our B. Tech. Mechanical sixth semester were appreciated by him for their performance in the lecture and he told that they are better than some students of NIT Raipur.

Program Outcome:

- Demonstrate the ability to choose methods appropriate to research aims and objectives.
- Understand the limitations of particular research methods.
- Develop skills in qualitative and quantitative data analysis and presentation.

Details of Program:

Kalinga University's IQAC, in collaboration with Guru Nanak First Grade College, organized a two-day workshop promoting the third criterion of NAAC as this has got high weightage in the accreditation process. The university received sponsorship from NAAC itself for conducting this event. Participants from institutes and organizations across the country attended the event. There were participants from Telangana, Karnataka, Madhya Pradesh, Sikkim, Maharashtra, Nagaland, New Delhi etc. other than Chhattisgarh attended the program in online and offline mode. The program was mastered by Mr. Anup kr. Jana, IQAC Coordinator. The workshop began with a Lamp Lightening ceremony and speeches from esteemed guests, including the university's Hon'ble Vice Chancellor, Registrar, Directors, Deans, HoDs. The workshop aimed to emphasize the importance of IQAC in enhancing the quality of higher education and promoting research, innovation, and extension activities.

Session 1: Mr. Puneet Mishra, Head of Satellite Antenna Characterization at U R RAO SATELLITE CENTRE, led the first session of the workshop on "Quality movement in Indian Higher Education Criteria-3". He discussed quality assurance, process control, and material selection criteria, as well as non-conformance management and productivity improvements through PFMEA. Mr. Mishra emphasized the importance of material selection, process qualification, and a strong Non-Conformance Management System to improve process and productivity. He explained the concept of PFMEA and its application in identifying and mitigating risks.

Session 2: Dr. R. Shridhar, Vice Chancellor of Kalinga University, led the second

session of the workshop on "Quality movement in Indian Higher Education Criteria-3". He highlighted the importance of competition among educational institutions to prioritize quality, customer satisfaction, and maintaining standards. Dr. Shridhar emphasized accountability, improving employee morale, attracting stakeholders, and bringing quality through NAAC's evaluation and communication. His session provided valuable insights on practical implementation of

quality management practices in higher education. After the session, Mrs. Asha Ambhaikar presented a memento to Dr. Shridhar as a token of appreciation for his valuable insights.

Session 3: Mr. Agranshu Dwivedi, Incubation Manager Start-up Mentor-MSME Madhya Pradesh & E-CELL IIT BOMBAY, spoke on "The Role of Research, Innovation, and Incubation Centers in Academic Institutions" at the workshop's third session. He emphasized the importance of innovation and research, and the role incubation centers play in commercializing ideas. Mr. Dwivedi also discussed successful start-ups like Flipkart, Paytm, and Druva, highlighting the significance of promoting entrepreneurship. He concluded by stating that research, innovation, and incubation centers in academic institutions nurture creativity, provide resources for faster collaborations, and play a critical role in turning ideas into reality.

Session 4: Dr. Vijayalaxmi Biradar, Director IQAC at Kalinga University, led the fourth session on research funding opportunities, focusing on the importance of research, problem identification, and ways to improve connections between students and faculty. She also discussed industry-oriented research, time management, and self-motivation. The session encouraged hackathons for problem identification and emphasized the need to focus on one particular sustainable development goal (SDG) out of the 17 SDGs.

Session 5: In his session on "Disruption in Higher Education Global and Indian Research," Professor Kartik Dave emphasized the importance of quality in higher education, including its dimensions and continuous improvement. He discussed quality issues in learning and teaching, student engagement, and employability skills. Finally, he highlighted the Higher Education Quality Assurance Management framework and the core value of contributing to national development.

Session 6: During the session on "National Education Policy 2020 (NEP 2020) Issues & Challenges," Nitin Malik discussed the need for creativity, quality, and innovation in education and highlighted the five major pillars of NEP 2020, including access, equity, affordability, quality of education, and accountability. He also discussed the vision of NEP 2020, its focus on school education, higher education, and other key areas, and its relationship to employability. Mr. Malik acknowledged several challenges in implementing NEP 2020, such as funding, quality of education, language policy, technology in education, and accreditation and regulation. During the session, Dr. Vijayalaxmi Biradar presented Mr. Malik with a memento.

Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh, INDIA – 492101
Mob: 93030 97043, Email – registrar@kalingauniversity.ac.in

Session 7: During Mr. Bikash Sharma's session on "Internationalization of Education and the role of Quality Assurance," he highlighted the importance of higher education and its tendency to be overseas, along with the positive aspects of internationalization. He discussed the background of quality assurance and defined quality in education as a comprehensive concept that involves excellence, education processes, management, and accountability. Mr. Sharma also emphasized the connection between quality assurance and internationalization in higher education.

Session 8: Mr. Balakrishna Islavath, Deputy Director/Scientist and Executive Member of the Center for IOT at Anna University, led the 7th session of the workshop. He covered a range of topics, including cell tower radiation hazards and solutions, conformal antenna systems for defense applications, the five pillars of self-reliant India ("Atmanirbhar Bharat"), thought-controlled computing systems, 6G trials and spectrum allocations, IOT application scenarios in shopping, and smart parking. His session provided valuable insights into emerging technologies and their applications, particularly in the areas of defense, communications, and smart city development.

The valedictory session was concluded with the remarks by Director IQAC of Kalinga University followed by experience sharing by participants. At the end, certificates were distributed to the participants.

Program Outcome:

1. Knowledge Enhancement: Participants could gain insights into the latest developments, methodologies, and best practices in quality assessment and improvement.
2. Skill Development: Participants learnt about effective assessment techniques, data analysis methods, quality enhancement strategies, and the preparation of self-study reports.
3. Research funding: Participants could understand why they fail in fetching research funding and how to overcome those issues.
4. Exchange of Ideas and Experiences: This workshop facilitated networking and collaboration among participants from different educational institutions. This enabled the exchange of ideas, experiences, and best practices, fostering a culture of continuous improvement in higher education.
5. Clarity on NAAC Processes and Criteria: Participants could gain a clearer understanding of the expectations and requirements for achieving higher accreditation grades.
6. Awareness and Alignment: This workshops helped participants become more aware of the importance of quality assurance and accreditation in higher education.

VJ Hackathon 2022 (Victory & Joy in Smart Innovations) on Department of Computer Science & Engineering. VJ Hackathon 2022 was held on the 4th & 5th of November 2022

About VJ Hackathon

CSI VNR VJIET Hyderabad, conducted VJ Hackathon 2022 (Victory & Joy in Smart Innovations) in collaboration with the Department of Computer Science & Engineering. VJ Hackathon 2022 was held on the 4th & 5th of November 2022. It was a nationwide event with participants and jurors came from all over the country including IITs, NITs, IIITs, and other Universities.

The domains under the VJ Hackathon include:

- Agriculture
- Smart Education
- Healthcare

Details of Event

Problem statement

TITLE: GAMIFIED LEARNING

DOMAIN: Smart

Education

DESCRIPTION:

Usually, children hate the learning process because they have to repeatedly learn the same thing for a long time. Making learning an interesting activity can be of great help here. They get bored with the routine study schedules and procedures.

The system is failing to create an interest in pedagogy. One of the important reasons why children may find studies boring is the wrong method or way of teaching. Games are loved by children as they give them the universal freedom to express themselves and enjoy themselves. It gives them a feeling of relaxation and happiness.

KALINGA UNIVERSITY

Kotni, Near Mantralaya, Naya Raipur, Chhattisgarh, INDIA – 492101
Mob: 93030 97043, Email – registrar@kalingauniversity.ac.in

REQUIREMENTS:

You're required to build an easy-to-use platform to gamify the experience of learning for toddlers and pre-teens. It should include rewards to encourage them to learn more. Each level in the game must ensure a learning outcome. Each topic's level should retain its proper hierarchy. Daily or weekly learning outcomes are great to keep the learners on their toes.

ADDITIONAL REQUIREMENTS:

1. Include the majority of topics covered in any elementary or middle school grade's curriculum.
2. Add a feature to allow the learners to convert the rewards into goodies.

Workshop on “Components of Research Paper Writing”, by Faculty of Commerce and Management on 12th September, 2022.

The Faculty of Commerce & Management conducted a Workshop on “Components of Research Paper Writing” for interested Commerce and Management students on 12th September, 2022, from 11.00 a.m. to 12.30 p.m. The students were provided with the knowledge of why writing research paper writing is important in their academic career. The workshop focused on the formulation of research questions, hypotheses and literature review.

The main objective of the Workshop was to inculcate among the students the basics of research methodology and highlight the steps involved in writing a research paper and securing publication in reputed journal. The event enabled the students to tap into their creativity and inculcate confidence within them so that they can write research paper. The Speaker of the Workshop was Dr. R. Shridhar Honorable Vice Chancellor of Kalinga University and the event coordinator was Ms. Shilpa Sharma. The event was conducted under the guidance and presence of Dr. Abhishek Tripathi, Dean, Faculty of Commerce and Management.

The event was conducted offline and the venue for the event was ‘Seminar Hall’ Kalinga University.

A total of 150 participants registered for the event, and 120 participants were present . The total strength of the students was: -

To
The Registrar
Kalinga University Raipur

Subject: - Request for approval for IT Support, Media and Photography Support for National Science day program (28/02/23).

Respected Sir,

I am writing to request the assistance of IT department, Media & photography department and News Report preparation department for our upcoming National Science day Program at Kalinga University.

The National Science day program is an essential initiative at Kalinga University, Aimed at promoting scientific awareness and education among our students and community. We have planned several activities and events for the day, including lecture, demonstration, and exhibition. To ensure that these events run smoothly and are executed to the highest standard we require the following support:

Dr. Ashish Sahu
Dr. Manoj Singh
Dr. Yashu

OK

- ① IT Department: we require the assistant of the IT Department to help set up and manage the audio-visual equipment for our events. This includes projector, microphones and sound system.
- ② Food Stall arrangement: require to 10 Tables, electricity supply.
- ③ Media & Photography Support: We would like to request the support of the media & photography department to capture the essence of our events through high quality photographs and video. We require professional- grade image and videos that can be used for future promotional material and documentation.
- ④ News Report Preparation support: we need the assistant of the News Report preparation department in preparing press releases and News report about our events for English and Hindi news preparation. Dr. Abdul Kadir and Dr. Ajay Shukla are required.
5. Kindly suspend classes for faculty of Science (Faculties and Students) on 28/02/23

I kindly Request that you consider our request and provide us with the necessary support.

Thanking you

Dr. Shilpi Shrivastava
Officiating Dean of Applied Science
Kalinga University

Dr. Sushma Dubey
Officiating Dean of Life Science
Kalinga University

DAA
Pls suspend
27/2/23

Venue - Auditorium

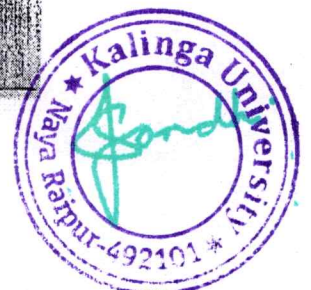

Pls
classes can be
suspended for 28/2/23

27/2

for
Dr. Ashish Sahu
27/02/2023

for

Science Day Celebration

Winner List

1. Event: Model exhibition

1. Green Kalinga Amit Kumar Sahu and Team - M. Sc. Zoology - 1st
2. Future of Wireless Electric Transmission - Prakhar Chandrakar -B. Sc. PCM -2nd
3. Structure of Stomata -Priya Sahu - Dept of Yoga -3rd

2. Event: Poster Presentation

1. Alisha Sahu -B. Sc. BIOTECH - 1st
2. Prerna Sahu -B. Sc. Zoology - 2nd
3. Supriya Bawane and Milly -M. Sc. Microbiology - 3rd

3. Event: Short Reels

1. Vartika Sachan -B. Sc. Forensic Science -1st
2. Sakshi Tiwari- B. Sc. Forensic Science - 2nd
3. Abhishek Prajapati -M. Sc. Biochemistry -3rd

4. Even: Fashion Show

1. Yuktha- Department of FD - 1st
2. Anjita - Department of FD -2nd
3. Jaya - Department of FD - 3rd

Note: Drama was not an competitive event.

Complete details of program (Paragraph)

Kalinga University, Raipur is a well-known Educational Institute in Central India that focuses on quality education and research. The University not only believes in educational development of the students but also development in other extra curricular activities which facilitate the students to enhance and develop practical skills, techniques, or ideas which they can use in their work or their daily lives. To take this endeavour ahead, the Faculty of Life Science, Department of Biotechnology, Kalinga University organized a “Guest Lecture” on 08th February, 2023.

The students from Master’s as well as Bachelor’s has enthusiastically attended the lecture delivered by our Honorable guest Dr.R.Shridhar sir, Vice chancellor of Kalinga University, Chhattisgarh. Our students gained a high value knowledge from the lecture as the mode of delivery was convenient to understand. Students from the department were highly motivated and focused on learning and showed a keen interest in discussing their innovative ideas further. Dr. Sushma Dubey, HOD, Department of Biotechnology welcomed Hon’ble Vice chancellor Dr. R. Shridhar sir for a guest lecture. Dr. Abhijeeta Nandha, Assisatant Professor, Department of Biotechnology. Ms. Megha Chaturvedi and Mr. Khusal Benarjee were the members of Discipline committee. At the end of the enriching event, vote of thanks was extended by Dr. Suchitra Ku. Panigrahi, Assisatant Professor, Department of Biotechnology.

Program Outcome:

1. Participants learned about basics of Start up
2. Participants were able to learn how to start start up

Number of Students participated:44

Number of faculty participated:10

Event Poster:

Objective of Program:

1. To promote Creativity and Innovation among students.
2. To understand the potential of students.
3. To motivate students live models and projects.

Details of Program:

The Science and Technology Project Exhibition was a captivating event that showcased an array of innovative projects, cutting-edge research, and technological advancements. The exhibition aimed to bridge the gap between science, technology, and the general public, providing a platform for students, researchers, and experts to demonstrate their work and engage in meaningful conversations. The event was organized to highlight the role of science and technology in addressing real-world challenges and shaping the future.
